## **MESSAGE FROM THE PRESIDENT**

### **THE ORANGE COUNTY BRANCH**

**NAACP**

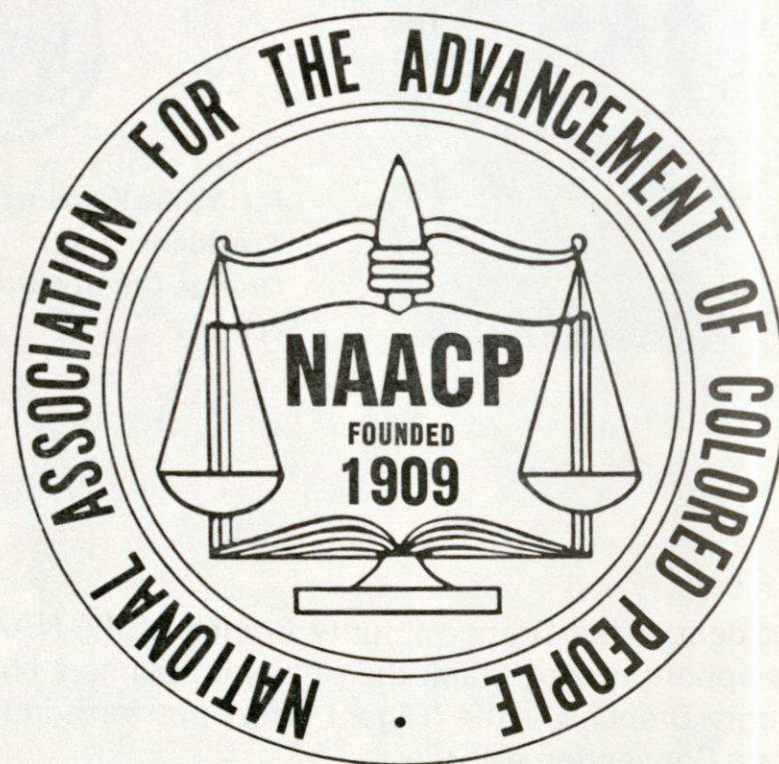

**Mr. Willie Williams  
President  
Orange County Branch  
NAACP**

As President of the Orange County Branch of the NAACP, permit me to take this opportunity to thank the officers, members and friends of the Orange County Branch for the diligent effort put forth in helping to make this, our State Convention a success.

We are also grateful to the Orange County community for its support not only in this effort, but in other projects that are sponsored by the branch. Your support has let us know that the interest in the cause for Freedom and Justice is still very much alive and gives us greater determination as we move forward with OUR NEW DAY BEGUN.

Daytona Beach, Florida 32015

I believe that as we convene this our 38th Annual NAACP Convention, we witness the most exciting and challenging period in the history of NAACP. A NEW DAY, indeed has BEGUN.

Today, Florida is experiencing an unemployment rate higher than the national average. 45% of Black Teenagers are unemployed-this means more than 2 out of every 5. The crime rate in Florida is higher than the national average. Black on Black crimes continue to increase. The bottom line is clear to me - MORE AND BETTER JOBS FOR BLACKS IN FLORIDA. This, then, seems to be the crucial problem facing NAACP leadership in Florida. As we enter this period of a New Day, let us reinforce and clarify our objectives. Let us develop more and effective techniques as we struggle to achieve our goals. Goals of Economic Development and full employment should be of high priority to this Convention.

We acknowledge a deep sense of indebtedness to all Florida NAACP Branches and supporters who have contributed in countless ways to the growth of the Florida State Conference in the past. We must have your continued support as a New Day Begins.

Our warmest personal thanks are expressed to the Orange County Branch, its President, Mr. Willie Williams, and Chairperson of the State Conference Publicity Committee, Ms. Marie Palmer for the enthusiastic contributions they have made in making this convention a success. Mr. James Mitchell deserves our highest compliments for his painstaking devotion in putting together The Souvenir Program. To all our supporters, whose assistance and complete cooperation have contributed so much to NAACP activities THANKS!!!

ALL FOR THE CAUSE OF FREEDOM

## Lift Ev'ry Voice and Sing

Lift ev'ry voice and sing  
Til earth and heaven ring.  
Ring with the harmonies of Liberty;  
Let our rejoicing rise  
High as the list'ning skies,  
Let it resound loud as the rolling sea.  
Sing a song full of the faith that the dark past has taught us,  
Sing a song full of the hope that the present has brought us.  
Facing the rising sun of our new day begun,  
Let us march on till victory is won.

Stony the road we trod,  
Bitter the chast'ning rod.  
Felt in the days when hope unborn had died;  
Yet with a steady beat,  
Have not our weary feet  
Come to the place for which our fathers sighed?  
We have come over a way that with tears has been watered,  
We have come, treading our path through the blood of the slaughtered,  
Out from the gloomy past,  
Till now we stand at last  
Where the white gleam of our bright star is cast.

God of our weary years,  
God of our silent tears,  
Thou who has brought us thus far on the way;  
Thou who has by Thy might  
Led us into the light,  
Keep us forever in the path, we pray.  
Lest our feet stray from the places, our God, where we met Thee,  
Lest our hearts, drunk with the wine of the world, we forget Thee,  
Shadowed beneath Thy hand,  
May we forever stand,  
True to our God  
True to our native land.
