## I Had Fun at The Fair

By

Ayana Ortiz

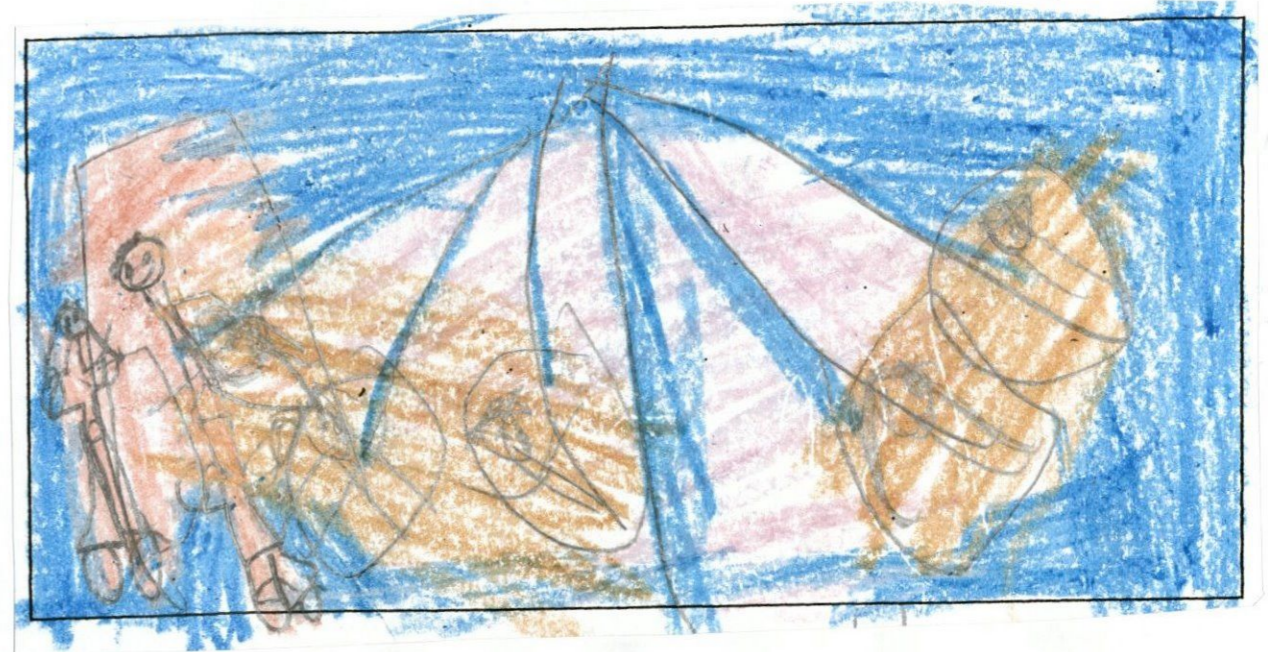

**My mom, my dad and I went to  
the fair. First I went on the mouse  
ride. It got scary and it went  
zigzag!**

**Next I went to see the camel.  
But I couldn't ride it because  
no one was there.**

**Last, I rode the swing ride.  
It went around and around.  
I felt excited at the fair!**
