Dear Miss Brumbaugh:

The enclosure speaks for itself. I am sending copies, as requested, to some forty or more librarians in the state.

I want you to be the official representative of the Florida Library Association at this celebration if you will and have so

written Col. Crossland today. I am in a faculty play here for Dec. 4 and it may be repeated the week-end of the eleventh so I cannot be planning to be gone. I really hope you can go. I know of no one who can so well do the honors of the occasion as yourself.

With best wishes, I am

Sincerely,

Louise Richardson
