The Late Miss Randall

Editor: I saw a clipping of the obituary of my great-aunt, Miss Lillian Nancy Randall, that appeared in your paper of Jan. 2. Your paper made quite an error because it said, "Miss William Nancy Randall, 86, Winter Park Towers, Winter Park, died Sunday." I wish you would correct this error.

She is a direct descendant of Stephen and Elizabeth Swezey Randall. He was a leader and played an important part for the Colonists' struggle to win the Revolutionary War on Long Island. She is a direct descendant of Robert and Marie Hawkins who came directly from England in April, 1635, on the ship named "Elizabeth and Ann."
